National Education Day 2022 was observed by the Department of Education, Damdama College in Association with Damdama H.S. School. The program was started at 1.00pm in the Damdama H.S. School premises. Respected Principal Sir inaugurated the program by delivering the lecture on significance of observing national education day.

Mr. Biraj Kr. Das HoD, Department of Education, Damdama College gave a brief about the importance of education in our life with some inspiring examples. Miss Anisha Choudhury, Assistant Professor of Damdama College briefed about the significance of the day and historical background and contribution of Maulana Abul Kalam Azad behind the celebration of the day and Mrs. Gitamani Deka, Assistant Professor, Damdama College gave a lecture on motivation and classroom interaction and its associated problems with some remedial measures.

On National Education Day, three students one from 5th semester, one from 3rd semester and one from H.S. 2nd year student spoke about the importance of education. Other students displayed the play cards of quotes and slogans related to National Education Day which was made by them. The total no. of 52 students was present in the program.

The program was concluded with vote of thanks by the Principal, Damdama H.S. School.

Outcome:

1. Creating consciousness about the historical significance of the day and contribution of Maulana Abul Kalam Azad by celebrating his birth anniversary on that day.
2. H.S 1st and 2nd year students were given awareness regarding the celebration of National Education Day.
3. Students of B.A. 3rd and 5th Semester, Education Honours were involved in collecting different quotes and slogans related to the national Education Day.

PRACTICE TEACHING
B.A. 6TH SEMESTER 2022-2023
DEPARTMENT OF EDUCATION, DAMDAMA COLLEGE

In the academic session 2022-23, the Department of Education, Damdama College organized extension activity for the 6th semester students. The total no. 15 students from 6th semester who has opted for SEC subject under Gauhati University were taught about practice teaching and teaching skills.

Under the guidance of Miss Anisha Choudhury, Assistant Professor and Dr. Gitamani Deka, Assistant Professor, Damdama College the students were sent to different schools which was assigned by the HoD, Education Department namely Pachgaon HS School, Gerua and Chechamukh High School located in Hajo, Kamrup District. The students were assigned one school each for practice teaching for a week (7days). Each student has selected the subjects of their own interest for practice in the schools. Before teaching, the students prepared lesson plan of the subject content which was to be taught in the class and prepared class dairy each day which was duly signed by the Head Master of the Schools. The students taught different subjects like Social Science, Assamese, and Mathematics of class VI, VII, VIII for a week (7days) by using different types of teaching skills like introduction, questioning, blackboard, illustration, and simulation and by using teaching aids. Each student taught in the classroom for minim one hour and maximum two hour per day in their assigned schools.

Outcome:

The students gained first hand on experience of teaching in the real classroom which gave them confidence, enhance their teaching skills, communication skills, leadership qualities and to build a rapport with the students which they can apply in their career. Practice teaching has helped the students to gain the knowledge of professional ethics.
