## From the Desk of the Principal:

I offer my heartiest welcome to the young generation who are going to enroll in the Four Year Undergraduate Programme in the Arts stream at our College affiliated to Gauhati University. I am also grateful to the parents showing interest to enroll their young ones at Damdama College.

Damdama College, established on 9<sup>th</sup> August, 1978 with the motto 'Imparting Higher Education' to the rural youth of the locality. It is known that education is acquisition of knowledge and knowledge always wins.

The mission and vision of the college is to develop the college as an institution of excellence and provide its students with quality higher education. To make this a reality, efforts towards upgrading the college to the status of a full-fledged multi stream institution are afoot.

The institution has full-fledged teaching staff in all the six departments namely Assamese, Economics, Education, English, History and Political Science. The institution has also another department, the department of Computer Application which creates a milestone in making the college more sensible towards computer literacy. The academic environment of the college is highly appreciable as more than 90% of the faculty members are having Ph.D. degree from the various reputed universities of the entire nation.

The administrative structure of the college is run by the Governing Body and this body is presided over by Dr. Madhurjya Prasad Bezbaruah, Retired Professor in Economics of Gauhati University.

With a great hope the institution dreams to provide better higher education to the young generation on NEP 2020 based curriculum.

With best wishes-  
(Dr. Suranjan Sarma)  
Principal  
Damdama College  
Kulhati, Kamrup, Assam

## About the College:

Damdama College was established on 9<sup>th</sup> of August, 1978 in the temple town of Assam- Hajo. Set in the bustling locality of Kulhati, the college has evolved to be an institution of repute. The college has six full-fledged departments and enrolls around fifteen hundred students. The college sits on a campus of 44 bighas of land and is easily accessible by road. The nearest railway station is the Kamakhya railway junction at a distance of about 31 km. The nearest airport is Lokapriya Gopinath Bordoloi International airport at Borjhar which is about 38km from the college.

In its initial years, the College attracted a very good pool of teachers and scholars. Professor Gobinda Ch. Deka and Professor Tarinikanta Bhattacharya (both were retired as Principal of Cotton College, Gauhati) inaugurated the classes. Other renowned scholars alike Late Bankim Sarma, (retired Principal of Damdama Higher Secondary School) and Mr. Promod Chandra Deva Sharma Shastri contributed to the growth of this institution as a center promoting a culture of democratic and liberal humanism.

A brief history of this college must also include contributions of the Damdama Higher Secondary School. This very famous school allowed its classrooms to be used by the students of the College. The Government declared the college as Grants in Aid institutions in 1989. It was provincialized in 2005. The National Assessment and Accreditation Council (NAAC) inspected the College on the 2-3<sup>rd</sup> March, 2023 and accredited the Grade B.

The strength of this institution lies in academic achievement and its healthy environment. A rural college catering to the academic needs of local youths coming from agro-based working-class families requires a very soft, careful managerial acumen in its build-up process. A dedicated and learned faculty as well as the non-teaching personnel ensures that students develop their latent potential in a homely yet intellectually stimulating environment. It is our humble effort to provide a holistic education for the empowerment of students as citizens of the global world.

The institution has full-fledged teaching staff in all the six departments namely Assamese, Economics, Education, English, History and Political Science and department of Computer Application also in functional mode.

The College has numbers of provisions for the better growth and development of the student community. The provisions are Conference Room and Hall, Traditional Classrooms, Smart Classrooms, Psychological Laboratory of Education, Museum of History Department, a full-fledged central library, where more than 15,000 books, reference material, encyclopedias, dictionary and regular news papers are available for the students and in addition each department have their own library which provides an academic platform to the students to connect with books and ICT Laboratory.

The other provisions of importance are National social Service (NSS), National Cadet Corps (NCC), Gymnasium for male students, Girl's Common Room, Open field for organizing events of importance, playground, numbers of indoor games items etc.

The institution so follows the Lyngdoh Committee Reports in electing the members of the Students Union Body in each year. The institution provides the opportunity and platform to the students' inactive participation of co-academic activities, such as games and sports; literary activities, cultural activities, social activities and the activities which carries both national and international importance.

Although, the institution is a single stream but the College tries to fulfill all the necessary requirements which dedicatedly helps the entire student community.

### **MISSION AND VISION OF THE COLLEGE:**

The motto of our college is "*Jnan Jyoti Diptam*" or "*knowledge is power*". The College aims at inculcating knowledge and their (students) latent potentials.

Our vision is to plan for developing the college as an institution of excellence that would provide our students with the best of higher education and to make all possible efforts for upgrading of the college to the status of a full-fledged multi-stream institution.

### GOALS AND OBJECTIVES:

The college aspires to exude a harmonious blend of traditional forms of teaching and Smart Class teaching facilities. The College initiates various students' centric teaching-learning methods, to provide ample opportunities to the students in various fields through curricular and co-curricular activities.

### LOCATION:

Damdama College is 18 kms away from Jalukbari and situated at the edge of Hajo-Nalbari road. Buses and other mini- vehicles are available from city centers like Jalukabri, Aminagaon, check-post and Adabari bus stand. The nearest railway junction is Kamakya station and nearest airport is Lokapriya Gopinath Bordoloi Interational Airport.

## PREFACE

Higher Education plays an important role in making the youth or young generations highly capable of adapting the attitude of nation building. The Indian higher education system is diverse in nature. It includes varieties of courses and programmes to achieve or enhance quality education for all. The National Education Policy (NEP) 2020 aims at modernizing higher educational practices, fostering innovation and enhancing accessibility across the variety of higher education institution. The Policy recommends- “an education system rooted in the Indian ethos that is Bharat; sustainability into an equitable and vibrant knowledge society, by providing high quality education to all, thereby making India a global knowledge superpower.” The NEP 2020 is based on five guiding pillars- **Access, Equity, Quality, Affordability and Accountability.**

At present, the colleges/universities provide Four Year Undergraduate Programme (FYUGP) all over the nation. The programme itself occupies a special attention as its open the door to research oriented under graduate programme. In the programme, the students learn from a variety of courses. Core Courses includes subject like Assamese, Economics, Education, English, History, Political Science etc., as Major or Minor Course; Ability Enhancement Courses (AEC) such as the courses like Assamese, English etc., Skills Enhancement Courses (SEC) such as the courses provides by each department which is related to development of some necessary skills, as for example Life Skills Education, Spoken English etc., Value Added Courses (VAC), which includes courses like Environmental Studies, Yoga Education, etc., and the Multi-Disciplinary Courses (MDC) which includes subjects from Humanities and Social Sciences, Computer Application etc.

A Four Year Undergraduate Programme is a

comprehensive education which opens the scope for interdisciplinary studies. The NEP 2020 introduced this programme in addition to the traditional three year degree programme. It offers more in-depth and specialized education potentially leading to the Honors Degree with research and other specialization i.e., the students who scores 75% marks and above in first six semesters are able to undertake research at the fourth year of the course.

There is numbers of novelty in the programme, such as **Academic Bank of Credits (ABC)**. As per National Education Policy 2020, the ABC has been visualized to facilitate the academic mobility of students with the freedom to study across the Higher Education Institutions in the country with an appropriate “*credit transfer*” mechanism from one programme to another, leading to attain a Degree/ Diploma/ PG-Diploma, etc. (ABC, Ministry of Education, Govt. of India). The benefits underline with this are-

- ❖ Allows multiple entries and multiple exits for students.
- ❖ Stores student credit for a maximum shelf life of 7 years.
- ❖ Transfer credit through a single window after approval of source and destination academic institutions.
- ❖ Only verified academic institution can upload credits.
- ❖ Improves transparency and helps to build a more flexible approach to curriculum design and development.

The credits earned by students will be deposited in the ABC “Academic Account”. The process of assigning a

---

number of credits to qualification, degree programmes or single educational component is related to ABC. Credits are allocated to entire qualifications or programmes according to respective Universities or Autonomous Institutions participating in the ABC Scheme.

The authority and family of Damdama College also open the platform to the students of Arts Stream to enroll in the Four Year Under-Graduate Programme from the 2023. The vibrant academic environment of the college encourages the students to develop their career based on their interest. We provide every possible facility to each and every student

We welcome you all to be a good student with dedication and devotion to learn and a good citizen in future of the nation.

## দমদমা মহাবিদ্যালয় সংগীত

কথা : ড° অমৰজ্যোতি চৌধুৰী  
সুৰ : ডাঃ অঞ্জনা জ্যোতি চৌধুৰী

স্বাধীনতা যুঁজাৰুৰ কমাৰশাল  
কলাগুৰু বাভাৰ অজ্ঞাতবাসৰ যি অভেদ্য ঢাল  
যি লাচিতৰ শৌৰ্যৰ দমদমনি  
দহোজন বৈদ্যৰ দহোটি ডবাৰ গুমগুমনিৰে তালফাল  
সেই দমদমাতেই আজি পোহৰৰ সুৰ-লয়-তাল।

বাইজেই শ্রম দিলে, ধন-বিত খেৰ দিলে  
গঢ়ি দিলে সৌধ-জ্ঞানেৰে জ্যোতিআন  
যি ঠাইৰ ধুলিয়েও অতীত জীয়াই তোলে  
অজস্রজনে তাতে জ্ঞানৰ গভীৰত কৰে আজি পোহৰৰ স্নান।

বিজ্ঞান, কলা আৰু বাণিজ্যৰ বৰণীয়া এই তিনি সূতি  
অহৰহ য'ত সাধনাৰ ধাৰ আৰু উপাসনা-স্তুতি  
এই অমৃত মন্থনে ৰাজহাড়-পোন মানুহ গঢ়িব  
সেয়ে লক্ষ্য আমাৰ, সেয়ে আমাৰ দিগন্তৰ জ্যোতি।
