FROM THE PRINCIPAL'S DESK

Welcome to Damdama College, Kulhati Kamrup. I wish to express my gratefulness to all the members of the college community for giving me the opportunity to serve the college. The college was established by the local community on 9th of August,1978 with an aim to provide higher education to the upcoming generations and to make them self-reliant as well as competent citizens of the nation.

The college intends to translate these in to reality through teaching, learning, evaluation, innovation, research and extension. The college pledges to enlighten rural poor by making them aware of the global changes through education and co-curricular activities.

Public Funded institutions like our college will obviously face some challenges in maintaining the quality and standard of higher education under the recent wave of changes in economic as well as educational policies of a global world. Therefore, it is the right time for all of us to come forward and work together to face these challenges. I hope our sincere efforts will make this college a Centre of Excellence of higher education in the near future.

Dr. Suranjan Sarma
Principal
Damdama College

MESSAGE FROM THE ACADEMIC IN-CHARGE

I feel proud to be a part of Damdama College, a premier educational institution of Assam. The college was established in 1978, and it has already completed 45 years. The college has helped the student community of the area to acquire knowledge since its inception. The college has adopted the New Education Policy 2020 from the Academic session 2023- 2024 so that the students can get the opportunity to become competent human resources. As students, you will get the opportunity to shape your dreams in our college.

Wishing you all the best! Embrace the rules and regulations of our institution, and let your brilliance continue to shine brightly!

Dr. Saurav Sengupta

1. A BRIEF HISTORY OF THE COLLEGE

Damdama College, established on August 9, 1978, in the historic town of Hajo, Assam, has developed into a respected academic institution. Situated in the vibrant area of Kulhati, the college spans 44 bighas and offers access via well-connected roads. The nearest railway station is Kamakhya Railway Junction, approximately 31 km away, while Lokapriya Gopinath Bordoloi International Airport at Borjhar is located about 38 km from the campus.

In its formative years, Damdama College attracted distinguished faculty, including Professor Dr. Gobinda Ch. Deka, a prominent scientist, and the late Professor Tarinikanta Bhattacharya, former Principal of Cotton College, who inaugurated the college's classes. Notably, contributions from local academic figures like Mr. Bonkim Sharma, the retired Principal of Damdama H.S. School, and Mr. Pramod Ch. Deva Sharma Shastri significantly fostered a culture of democratic and liberal humanism within the institution.

A historical overview of the college includes its initial dependence on Damdama H.S. School, which permitted college students to utilize its classrooms for lectures. Classes commenced on January 2, 1982, in improvised settings as faculty and students gathered bamboo and other materials to create temporary facilities. Degree courses were initiated under Gauhati University in 1984, and the institution was designated a Grants-in-Aid college in 1989, followed by provincialization in 2005. Recently, in March 2023, the college was evaluated by the National Assessment and Accreditation Council (NAAC), achieving a B grade in its second cycle of assessment.

The college's strength lies in its academic excellence and supportive environment, catering to local students predominantly from agro-based working-class backgrounds. This necessitates a nuanced managerial approach to foster growth and development. A dedicated faculty, along with committed non-teaching personnel, creates a nurturing environment that enables students to harness their potential in an intellectually vibrant atmosphere. The college strives to provide holistic education aimed at empowering students as global citizens.

2. MISSION AND VISION OF THE COLLEGE:

The motto of our college is "Gyaan Jyoti Diptam" or "knowledge is power". The college aims at inculcating knowledge and their latent potentials.

Our vision is to plan for developing the college as an institution of excellence that would provide our students with the best of higher education and to make all possible efforts for upgrading of the college to the status of a full-fledged multi-stream institution.

3. GOALS AND OBJECTIVES:

The college aspires to exude a harmonious blend of traditional forms of teaching and Smart Class teaching facilities. The college initiates various students' centric teaching-learning methods, to provide ample opportunities to the students in various fields through curricular and co-curricular activities.

This distinctive platform invites participants to immerse themselves in the realm of literature, examining a variety of genres and articulating their reflections through poetry. These expressions are showcased within the framework of "Dalichar Mell," a monthly academic exercise held in a relaxed atmosphere, commonly referred to as "Adda." By promoting these activities, the study circle aims to nurture and cultivate each student's innate creativity and intellectual curiosity, creating a dynamic community where ideas can flourish and friendships can grow. By fostering these activities, the study circle seeks to enhance the intellectual and artistic development of its members, thereby cultivating a community that values both knowledge and self-expression.
