Annual gender sensitization action plan

The holistic development of all students is the primary focus of the College. Along with Academic excellence, all round development of the students is the major responsibility of the College. Simultaneously physical and mental health of all students cannot be ignored. Considering the aims of the College our institution takes initiatives for all female students. Moreover the institution doesn't forget its responsibilities and obligations towards the society. To fulfil its aims and objectives, the college prepared the following year wise action plans.

In the year 2021-22

1. Girl's common room to be equipped with all the essential facilities for better recreation of girl students.
2. The college decided to publish edited books with ISBN on frequent manner and periodical peer reviewed journal 'Social Dialogues' is proposed to make it a powerful social platform, so that awareness can be undertaken in the recent trends and emerging issues.
3. It is planned to invite woman activist to aware the students of realities of life, violence and troubles faced by women and role of women in the patriarchal society.
4. Minority Cell proposed to undertake a study on the socio-economic status of Minority women and role of education in the nearby area.

In the year 2020-21

1. To organize awareness programmes on woman health focusing on maintaining a good health and hygiene of girl students in College Campus.
2. The college decided to publish edited book with ISBN and periodical peer reviewed journal proposed by IQAC, Women's Cell and Research cell of Damdama College so that awareness can be undertaken in the recent trends and emerging issues.
3. Formation of film society to create a healthy film environment in the college is planned. This platform is to promote and disseminate good films among students. Also to raise social awareness among them through screening of films on the social issues and empowerment of woman.
